Present: Joan and Gordon Gibbs, John Storrs, Joan Beckett, Alan Greenaway, Sam Casey-Rerhaye, Justin Denno, Katie Davis

1. Apologies received from: April Jones, Jon Woodley-Shead, Hamish Forsyth, Andrew Steele, Justin Denno
2. Minutes were agreed as correct.
3. Matters Arising

JG and GG had looked at some questionnaires from other villages and brought them along. A brief discussion was held about the merits of them. It was agreed that one for Culham should not be too long, as this was something that would put a lot of people off filling it in.

April Jones had offered to help further with the door to door, and so it was agreed that she could do some or all of the farms and Maud Hales Bridge area. Katie Davis who is a new resident of the village offered to help, and agreed to do the area around Culham house including the A415 houses. JWS had had the flyers printed and passed on to JD, who would distribute to those who had volunteered for the door to door. The format was discussed again, and volunteers would urge residents to use the suggestion boxes which JD had fixed next to the parish notice boards, if they thought of ideas after the volunteer had gone. The main point of the door to door was to publicise the group and the forthcoming questionnaire and plan. ACTION: Volunteers, during October.

S C-R had put the minutes and agenda on the notice boards before the meeting.

6. Bonfire Night. It was agreed that some presence at the event would be a very good idea. It was agreed that helping JWS and others in organising and serving drinks etc would be a possibility. SC-R would contact JWS and offer help. Having paper and pen there for further suggestions and flyers to give out was also agreed.

Next meeting: Tuesday Nov 5th, 7-8pm, Waggon & Horses
