### New Electoral Roll for St Paul's Church, Culham - Jane Lay

It is time for a new electoral roll to be prepared for St Paul's Church.

A notice giving details of enrolment will be posted on the church notice board from 7 February 2013 to 14 March 2013.

Anyone wishing to enrol must complete a SG3 form and these can be obtained from Jane Lay, High Lodge Farm, Thame Lane, Culham, Oxon OX14 3DX (tel 01235 535188). The form must be completed and returned by 14 March 2013.

A new roll will be posted on the church notice board on 30 March 2013 and will come into effect on 14 April 2013, which is the date of the Annual Parochial Church Meeting.

### Parish Council

Firstly a thank you, to the group of volunteers who spent what was probably the nicest Saturday that we have had so far this year, putting in the recycled power poles around the green, this is to help claim back what is being eroded away by the vehicles that use the bridleway for access to the church and dwellings around the green. And another thank you to the residents who have made some temporary repairs to the afore said.

Items that have been dealt with or are in hand since the last council meeting.

Moles on the playing field, these have now been dealt with by a professional catcher, the ground is soon to be chain harrowed and cut. The council is looking for individuals and or companies to

tender for some of the grass cutting and maintenance around the village. The play equipment on the playing area has become damaged due to shall I say older youths miss using it, with that we will be putting up signs to advise that the equipment is suitable for children under 12 years of age. Also No Parking signs are to be displayed along the bridleway through the green. The council has approached an arborist to address the over grown and dead or dying trees along Tollgate road. The council has recently discussed the need for an Emergency plan, villagers are more than welcome to attend the next and any meetings to discuss and present ideas for this and other matters.

### **Parents and Friends of Culham Village School: Presents**

Handmade Crafts and Shopping Fayre, Saturday 2<sup>nd</sup> March, 12 noon till 4pm  
At Culham Village School; Stalls, Pampering, Refreshments, Tombola and Raffle

We urgently need donations of raffle and tombola prizes !

Easter eggs, chocolates, toiletries and unwanted gifts Etc.

All donations will be gratefully accepted and can be dropped off at the school or 18 The Glebe.

The proceeds will go towards improving the playground and implementing a Forest school scheme.

### **Culham Parochial Primary School**

In first stage of term 3 the topic of The Solar System was much enjoyed by all, with a wonderful shared assembly at the end of term to show us what the pupils had learned about CO2 emissions, their Powerpoint presentations, and songs about space and themselves.

In the second stage of Term 3 topics "all about me" and "Myths and legends" will be studied, and a Yr2-6 school trip is planned to a London Hindu temple, following on from our studies of Hindu celebrations earlier in the year.

I have now had the opportunity to hand the Chair of Governors role to Professor Pat Nuttall OBE, a village resident and much respected Virologist & business figure.

I have every faith in her ability to lead the school towards outstanding over the coming terms, and will support her as Vice Chair. The Governing Body continue to work hard as a critical friend to the school, ensuring that our children receive the best educational opportunities possible, in a safe and friendly environment. Please contact the school office if you wish to visit, donate some time in school, or have any other queries.

Cheryl Collier, Vice Chair of Governors (Culham Parochial School)

We would like to give a big Thank you to

Pauline Davidson of the **Railway Inn**, and Hamish Forsyth of the **Waggon and Horses**, for raising over £160.00 through valentines hamper raffles. **THANK YOU**

### **Culham Community Group**

We now have a great many viewpoints from many of you in the village and this is showing strong interest for improvements in certain areas. This is enabling us to put together an in-depth questionnaire which will be delivered to all households later in the year.

The purpose of the questionnaire is to really establish just how practical or viable our ideas are. For example, will we use the facilities enough to merit creating them? Are we willing to pay to keep certain projects going? This will form a vital community viewpoint and allow us to shape Culham for the future.

In the meantime, we are seeking help from the local council on the construction of the questionnaire so it asks you the right questions in the simplest way. If anyone has any experience in this field, we would be grateful for any help.

We will endeavour to publish monthly updates here in the Mouthpiece so check back next month to see the next step in the process...

If you are interested in getting involved in any way, shape or form, please email [community@culhamvillage.org.uk](mailto:community@culhamvillage.org.uk) or telephone Sam Casey-Rerhaye on 799489. The next CCG meeting is on Tuesday 5<sup>th</sup> March 2013 at 7pm at the Waggon & Horses pub.

### **Support Culham School (SCS)**

The fund raising for the village school goes on with earnest, with that said the Car Boot Sales will start next month, with April 6<sup>th</sup> being the first. In order for these to be successful we are

wholly dependent on your donations, anything is accepted and all proceeds go to the continued fight to meet the budget deficit, and keep the school open.

If you have any items that you have grown tired of or having a clear out, please give us a call to collect on 01235 522448, or drop them off at 18 The Glebe. Or bring your stuff along and make a few £s for yourself.

### **Ladies of Culham(L.O.C.)**

Many thanks to all who have supported L.O.C. over the past 2 years.

Most of the information for our gatherings are sent out via email and if you would like to join the mailing list, please email me at [mary@therickfords.com](mailto:mary@therickfords.com).

For those who may not know, L.O.C. is a group set up to give ladies living in Culham an opportunity to meet together every 4-6 weeks in a friendly relaxed atmosphere either in someones home or the village school or church.

Over the last couple of years we have held wreath making activities, quiz night, music evening, book reviews, various talks, a craft evening, a couple of theatre or cinema trips and next month, Charlotte Storrs is hosting a pot luck supper at her home, 8 The Green on Friday 19th April at 7:30 pm. This will be a great opportunity to get together, sample homemade food, share new recipes and enjoy each other's company - all welcome! Please can you bring along a copy of a favourite recipe (it can be for either a sweet or savoury dish) and if you are able, a sample for us to try. It will be held in Charlotte's studio which is found through the gate on the right of her house and up the garden path. We would love to see you there and always welcome new ladies and also ideas of things you would like to do / learn/ hear about etc... Please share your ideas so that we can hold a large range of activities this year!! Look forward to seeing you on 19th April.

### **Annual Plant Sale & Village Fete – Culham PCC**

This is planned for **Saturday 18th May** at the church from **1.30 pm to 4 pm**.

If you're about to sow seeds for your garden – please spare a few extras for the Plant Sale!  
More details in April's Mouthpiece.

## Is it illegal to let your dog foul? YES

Allowing your dog to foul in a public place is illegal.

Many local authorities and Parish councils have 'Dog Control Orders', which make it easier to introduce dog controls on private land. Dog control orders can be used to make the person in charge of a dog clear up any mess that it leaves behind. The penalty for committing an offence contained in a Dog Control Order is a maximum fine of £1,000. Alternatively, a fixed penalty of up to may be offered in place of prosecution.

### Vicar; Anne Ilsley

A recent article in the Church Times decried the amount of time and effort that goes into the conservation of church buildings in England. After all for faith to exist we do not need dedicated buildings in which to gather for worship and teaching to happen and even to flourish. The early church certainly met in people's homes. I am aware that there are people living here in The Bridge group who sympathise with this sentiment, but I am also aware of something that amounts to more than good will towards our churches.

For one thing members of the community, not necessarily regular 'church goers' help to look after the building, through joining the cleaning rota, arranging flowers, opening up the church, or belonging the 'The Friends'. For some of these helpers and for some who simply come into the church to sit in the quiet beauty that they find there, simply coming into the building is an opportunity to recharge and be refreshed.

These buildings do 'belong' in a very special way to all of the community and there is a movement to reclaim the community role of the building that it would have had in earlier times. In Stadhampton, for example building work is due to begin so that the church can also serve as a village hall. Of course such a plan only goes forward under the close scrutiny of the Church's own planning system and the preservation of all that we value about the atmosphere of the church is crucial to how such a scheme is received.

In The Bridge group St Peter's Little Wittenham was hidden by scaffolding last year and this year we expect to be the turn of St Michael's Clifton Hampden. In both cases repairs to the stonework will give new life to the fabric. Meanwhile in The Wittenhams the attention of the PCC is turning to plans for St Mary's. Here in Culham, St Paul's has been kept in good repair, but the quinquennial survey (an architect's survey required every 5 years) is expected to point out something in the way of necessary works. It usually does! The help of members of 'The Friends' of the churches is essential to all these efforts and so far we have been successful in gaining grants from grant making bodies, which has enabled work to proceed.

A well cared for church building does speak to the very many visitors who come inside, especially throughout the summer, so thank you for caring and for doing something practical where you can. My prayer is that you are rewarded with peace and tranquility and a sense of the

reality of God. If you are reading this and have always thought that you need to attend church in order to come inside, please know that our buildings are open during the daytime and they belong to you too. Also all offers of help are gratefully received! Simply contact me, Rev David Haylett or a Church warden.

By the end of the month we will have greeted Our Risen Lord on Easter Sunday. May the renewal of our buildings be a help towards and a symbol of the more important renewal of our faith.

Every Blessing Anne

#### **Prisoner of War Memories Wanted**

A child's necklace and a pair of soldier's dog-tags...what do these have in common? Both of these very personal items belonged to a Prisoner of War (POW) during World War II, but each

tells a different story. These mementos are now being looked after by The Soldiers of Oxfordshire Museum in Woodstock, who are planning an exhibition about POW experiences and are appealing to the public for help in bringing the new museum to life.

The necklace was given to a young girl during the war, having been made by a German POW held at a local camp. It was donated, along with other hand-made pieces by Rosemary Warner from Witney. Local POWs often made toys and children's playthings to sell for a little extra cash.

The dog-tags are a reminder of one young man's time in the StalagLuft III camp, now in Poland, and infamous for the 'Great Escape'. Sgt Leslie Mitchell from Woodstock was captured aged just 19 after his plane came down in 1940. He remained a prisoner until 1945, moved from camp to around the German occupied territories. All the time he kept in touch with home, and the letters sent to him provide a fascinating insight into war-time Oxfordshire.

If you have personal memories of POWs during the Second World War or if you were a prisoner yourself, SOFO would like to hear from you. We would be also interested in hearing about experiences of relatives who were POWs. Matthew Smaldon from SOFO says:

"We are seeking first-hand accounts, memorabilia, written memoirs, photos, letters, and other items relating to POWs. We want to tell the story of local men held in POW camps, and of how the influx of German and Italian POWs also affected life in the county - to do so we want to ask for the assistance of Oxfordshire residents to help us build the story."

If you can help in any way, we would be very pleased to hear from you. Please contact Sue Cross on 01993 813832, email us at [admin@sofo.org.uk](mailto:admin@sofo.org.uk), or write to Soldiers of Oxfordshire Museum, The Old Tannery, Hensington Road, Woodstock OX20 1JL.

### **Local Police – Sarah Jones**

The local priority for Benson and Berinsfield is theft from vehicles and burglary. There has been an increase in tools being stolen from vehicles and also burglaries to outbuildings in particular in the Warborough, Shillingford and Benson area.

This month we have had an increase in theft from vehicles and criminal damage to vehicles, particularly in Berinsfield and Benson. Various items such as radios and tools have been taken and on one occasion a catalytic convertor was taken from a vehicle. We urge everyone to remove items of value from vehicles when leaving them parked.

Parking is something that your neighbourhood officers deal with on a day to day basis and we rely on local residents to keep us informed of any issues arising. We understand that inconsiderate and illegal parking can both be frustrating and dangerous and we will assess and deal with all reports appropriately. Vehicles parked illegally or causing an obstruction can be fined £30 by means of a fixed penalty notice.

"THE HISTORY OF THE POWER STATION" Illustrated talk by RWEpower,  
Tuesday 12<sup>th</sup> March: Village Hall 7.30 pm Members free Visitors £3

Now you see it – soon you won't !! Didcot Power Station lies within the boundaries of Sutton Courtenay Parish and has been much in the news with the announcement that Didcot A will cease operations at the end of March. In due course the cooling towers will be gone which has evoked mixed emotions among local people. The power station has been a landmark for 40 years, has provided a vital energy supply and had a considerable impact on the area. Once voted Britain's third worst eyesore, yet the towers have also inspired artists and photographers during that time.

This illustrated talk by RWEpower will describe the story of the power station, its influence and significance.

### **Oxfordshire Woodfuel Programme - Riki Therivel**

The Oxfordshire Woodfuel Programme now has a website, [www.oxonwoodfuel.org.uk](http://www.oxonwoodfuel.org.uk), which provides lots of advice on growing, cutting, storing and burning woodfuel. I will be running a series of one-day woodfuel-related study visits on 15 April, 13 May and 8 June. They cost £25 each and more information is available on the website. The Oxfordshire Woodland Project is also running workshops on woodland management: see [www.oxfordshire.gov.uk/cms/public-site/woodland-workshops](http://www.oxfordshire.gov.uk/cms/public-site/woodland-workshops).

I hope to set up some 'logs for labour' matches. If you are a woodland owner who could use some free help with woodland management in return for people taking some firewood (labour for your logs), or are a group of people who would like to work outdoors in return for some firewood (logs for your labour), please get in touch with me. The moisture level of woodfuel is important: a freshly cut log at 50% moisture has only about half the energy content of an equivalent well-seasoned log at 20% moisture. The woodfuel programme has a moisture meter that you are welcome to borrow.

### **Abingdon Drama Club: Presents**

Equus: By Peter Shaffer,  
Directed by Andrea Mardon

Weds 6<sup>th</sup> – Sat 9<sup>th</sup> March 2013.  
7.30pm at The Unicorn Theatre,  
Checker Walk, Abingdon

Alan Strang, a seemingly normal, obedient 17 year-old boy is referred for psychiatric treatment in lieu of prison time for blinding four horses with a hoof pick at the stables where he works. Throughout Alan's treatment his psychiatrist, Martin Dysart, begins to question the true worth of his profession. Is he bringing children back from madness or killing their passions by turning them into "normal" people? Through his attempt to understand the motivations for Alan's apparent senseless crime, Dysart grapples with the realms of sex, religion and modern psychiatry. Peter Shaffer's Equus had it's premier in London in 1973. This gripping and controversial play is now considered a modern masterpiece.

Abingdon Drama Club's '*in the round*' staging of Peter Shaffer's Equus brings a new dimension to the Unicorn Theatre with the audience being able to sit close to the action.

Director Andrea Mardon fulfils a long-standing desire to bring this play to the Abingdon stage. She is supported by a fine cast including Jon Crowley, Lin Beekar, Lynne Smith, Adam Blake and introducing newcomer Lawley Barnett as the young Alan. Equus is a theatre event not to be missed.

Tickets £8.00 (concessions £7.00) from The Bookstore, Abingdon Precinct or book online at [www.abingdon-drama-club.com](http://www.abingdon-drama-club.com) **ADC – in 3D since 1944**
