## VILLAGE NEWS

Village website: [www.culhamvillage.org.uk](http://www.culhamvillage.org.uk)

### Culham Quiz

The 4th annual Culham Quiz will take place on Saturday 5th March 2016 at 7.30pm in the Schumann Hall of the European School. Tickets, which include a ploughman's supper, cost £10 per head and are available from Philip and Jude Owen, 6 The Green or John and Ruth Ward, "Winton", Thame Lane. This is a very enjoyable village event. You can form a team of six or more people, or just turn up and join with others to form a team. A trophy is awarded to the winning team and there will also be a raffle. All in aid of the Friends of St Paul's, Culham.

### Culham Parochial School – Lindsay Priddle

In January we welcomed two new members of staff: Mrs Sarah Whiting is teaching Swallows class full time and Mrs Amba Kennedy is teaching Owls class every Thursday. I also became the Executive Headteacher of Culham Parochial Primary School as well as Clifton Hampden.

We had a very busy start to the New Year with new topics in all class. Robins Class (Reception, Years 1 and 2) are learning about Pirates, enjoying exploring the Pirate Cave, using the iPad to create pirate pictures and writing pirate stories. Owls Class (Years 3 and 4) are learning about the Vikings, finding out about how and why they travelled to England and Swallows Class (Years 5 and 6) are learning about coasts, identifying key features and coastal defences. Over the coming weeks we are looking forward to Mothering Sunday Celebrations, Chinese New Year, World Book Day and the Abingdon Schools' Spring Concert, which will take place at the end of March. Years 5 and 6 are also participating in a residential visit (February 22nd – February 26th) to Woodlands Outdoor Education Centre in Glasbury-On-Wye in Powys, Wales. The aims of the visit are to develop independence, resilience and teamwork through outdoor and adventurous activities. The children will be exhilarated and inspired whilst experiencing a selection of activities including mountain walking, caving and canoeing which will develop their confidence to challenge themselves.

Sainsbury's Active Kids school vouchers are back. If you would like to donate your vouchers, please drop them into the School Office and we will redeem them for sports and playground equipment. Please visit our school website ([www.culhamprimary.co.uk](http://www.culhamprimary.co.uk)) for lots of up-to-date information about what we are doing at school.

### Needed: Co-opted Governor for Culham Primary School – Pat Nuttall

Are you interested in helping a small village school to thrive? We are governors of Culham primary school, which has come through difficult times and is now doing well. We are keen to see the school do even better but we need more people to help. If you are interested in giving up some of your time and skills to join the governing body of our school, please email Pat Nuttall, Chair of Governors at [culhamgoverningbody@culham.oxon.sch.uk](mailto:culhamgoverningbody@culham.oxon.sch.uk)

## **Culham Parish Council Notes**

### **District and County Councillor's reports**

The District Councillor and County Councillor's reports are available on the village website but some main points from the District Councillor are:

The 2016/17 council tax will remain the same as the 2015/16 rate

SODC are investigating the combining of further back office jobs with the Vale, Hertfordshire DC and Mendip DC to save money.

The police are aware of an increase in cyber-crime and consider it a worry as the scams continue to 'improve' in their deviousness. The police advice is to be very (even more) wary of giving out any personal details on line or by phone.

Grants made by SODC will be considered between 01 Feb and 01 April with a view to making decisions in July.

No decision has yet been made about any relocation of SODC offices in the light of the January 2015 fire at Crowmarsh.

### **Other items**

The Waggon and Horses pub cannot be registered as a village asset as SODC believe the village has no viable prospect of running/maintaining it as a pub. The school building will be added to the asset register.

The construction method of and route of the roadway being constructed from Sutton bridge to the river has been challenged by CPC (to SODC) as not complying with the agreed planning application. The lack of an archaeological survey of the hydro site in the planning approval as recommended by OCC, has also been challenged.

There is currently a vacancy on the CPC for a councillor. This is due to the resignation of Jon Woodley–Shed. If you would like to apply to be a CPC councillor please contact the Clerk or any existing councillor. – Please see the statement below from the CPC about Jon.

The recreation ground safety reports continue to be satisfactory.

In the light of the recently well received road resurfacing outside the church, extra material will be ordered for use on the Green roadway between the church road and the cemetery entrance. This will be paid for by CPC.

The CPC risk assessment was recently reviewed and agreed at the meeting.

In the light of expected further and recent cuts in OCC budgets for paths and roads, the CPC would like to organise working parties to help in the clearance of paths etc. If you are willing to help please pass your details to any parish councillor.

The County Council will assess the Sutton bridges for safety re pedestrians and cyclists. The stretch of road from the bridge to the Waggon will be assessed. One possibility is widening the path to allow shared space.

## **Culham Parish Council statement - re Jon Woodley-Shead.**

This statement by Culham Parish Council (CPC) concerns the activities of Jon Woodley-Shead. For some years Jon was both Parish Councillor and recently Chair of the CPC. During this time he was also, briefly, District Councillor for the ward.

Jon has recently been charged with and convicted of theft.

CPC recognises that, over many years, Jon has given time and energy to the village community, both during his time on the CPC and before. However, CPC does not condone any activity which is illegal or could bring the CPC into disrepute. The Council was unaware of these activities and is not aware of any evidence to suggest that there was any criminal activity with public funds for which CPC is responsible.

Nevertheless, the thoughts of the CPC are with Jon and his family at this difficult time.

Culham Parish Council – 04 February 2016

### **Next meeting**

Monday 14th March 2016 at 19:30 at the school.

As ever all villagers are welcome to attend - please come along even if you have no specific items to present/discuss.

## **Women's Institute (Sutton Courtenay) – Beryl Davies**

We meet on the third Tuesday of each month in the Village Hall in Sutton Courtenay at 7.30 pm. We have tea and cake at all our meetings. There are currently 140 branches of the WI in Oxfordshire. Our youngest member in Oxfordshire is 16 and our eldest 101!  
Our AGM is on **15 March, 7.30 pm.**

In April our speaker is Jeff Rozelaar speaking about Bagels and bacon! In May we have a lady explaining the history and meaning of nursery rhymes. We always have room for more members, so please come along and join us. For further information, please contact our President, Ann Henderson, on 01235 821834, email: [annhenderson279@hotmail.com](mailto:annhenderson279@hotmail.com).

## **OTHER NEWS**

**The Filling Station** Wednesday 2<sup>nd</sup> March, 7.30pm, Marsh Baldon Village Hall

The South Oxfordshire Filling Station meets monthly mid-week to provide an opportunity for Christians (of all denominations) from our local communities to come together and celebrate in an informal setting. "The Filling Station is not a new independent church movement, rather a model of how existing churches can work together to bring new spiritual life to their areas" ([thefillingstation.org.uk](http://thefillingstation.org.uk)).  
Come and see, meet friends, encounter the presence of God.

## **Bach St John Passion** – 25<sup>th</sup> March, 6.00 pm, Dorchester Abbey

Written for Good Friday in 1724, the passion was the centrepiece of Bach's year-long cycle of liturgical cantatas. Perhaps the biggest joy of the St John Passion is that, for all the ferocity and sorrow of the Good Friday story, it's a truly optimistic work, anticipating the resurrection with music suffused with light and hope.

## Enriching Communities - Supporting energy efficiency in Oxfordshire's local communities

Communities across Oxfordshire are benefiting from community buildings that are more energy efficient, more welcoming and more cost effective, thanks to the support of the ENRICH programme. ENRICH is run by environmental funder the Trust for Oxfordshire's Environment (TOE2) in partnership with the Environmental Information Exchange (EiE) and funded by the Patsy Wood Trust.

Many community members are keen to take action in the area of sustainable energy use, both individually, and through local networks. We can support your community to become a low carbon community in the following ways:

- Subsidised energy surveys for community buildings across the parish to identify how to reduce energy demand and increase efficiency. Suitable buildings might include the village hall, the youth centre, the school, the church, the scout hut and the sports pavilion; any community building that might benefit from energy management advice;
- Free follow on support to develop the audit recommendations;
- A grant from TOE2 towards the installation of recommended energy saving measures in community buildings;
- Fully funded workshops on energy efficiency for local businesses;
- EiE advisers can attend existing community events to showcase to local people how they might save energy and reduce fuel bills at home;
- Help with energy efficiency articles for parish newsletters;
- Help with the relevant environment section of neighbourhood plans;
- Advice on renewable forms of energy generation;
- TOE2 has a free short guide "*Managing Energy Use in Your Community Building*" packed with tips for making buildings more energy efficient. The guide is available as a downloadable pdf (see [www.trustforoxfordshire.org.uk](http://www.trustforoxfordshire.org.uk)) or in hard copy from the TOE2 office.

Financial support for Enriching Communities is limited to 6 local groups this year. If you would like more information about the ENRICH programme or to set up a meeting to take advantage of the Enriching Communities offer, please contact us.

TOE2 funds projects across Oxfordshire which help to improve access to green spaces, biodiversity and the Low Carbon Agenda. Do contact us if there is a local project in your area in need of funding, or look at our website for further information.
