The Whitchurch Village Plan 2008

QUESTIONNAIRE FOR RESIDENTS

The Government wishes to give rural communities a bigger opportunity to run their own affairs, and to set out a vision for their town or village to guide future development. We in Whitchurch are taking this opportunity for all to be heard. **But we need you to speak up!**

In October 2007, a Steering Group was formed at the instigation of Whitchurch Parish Council to develop a Village Plan for Whitchurch. It has already invited residents to express their opinions on a wide range of issues and the next stage in the process is this questionnaire, which is designed to gather the views of everybody in the parish.

The data from this questionnaire will make a valuable factual basis for the Plan, which will be published in xxxxxxxxxxxx. Responses will be treated confidentially and the views of individual households will not be published.

This project should be seen as a great opportunity, offering as it does the chance to influence the decisions which will be taken about our future. Other parishes have testified to the value of their Plans in their relations with both District and County Councils.

Please help us to gain the same influence in Whitchurch.
