## Notes

1 From the dataset: Economic Activity, 2011 (KS601EW)

2 From the dataset: Health and Provision of Unpaid Care, 2011 (KS301EW)

3 From the dataset: Household Composition, 2011 (KS105EW)

4 From the dataset: Qualifications and Students, 2011 (KS501EW)

5 From the dataset: Tenure, 2011 (KS402EW)

6 From the dataset: Usual Resident Population, 2011 (KS101EW)

7 National Statistics

8 The Census asked respondents to identify who their landlord is and the results reflect the responses they

gave. In the past decade half of the local authorities in Wales have transferred the management of all their local authority housing stock to other social landlords. Individuals responding to the Census will report their understanding of their landlord and this may not reflect the actual management arrangements in all cases.

9 Value derived by aggregating data supplied using the Neighbourhood Statistics Geography Hierarchy
